

CSE M226: Programming Languages

Lecture 2: Evolution of the Major Programming Languages

ROKAN UDDIN FARUQUI

Dept. of Computer Science and Engineering
University of Chittagong, Bangladesh
Email: rufaruqui@cu.ac.bd

Brief history of programming language

I will discuss

- **A Brief, Incomplete, and Mostly Wrong History of Programming Languages**¹

For a detailed and meticulous history, please read yourself

- **Chapter 2** — John Mitchell , **Concepts in Programming Languages (CPL)** (11th Edition), Cambridge University Press, 2015.
